We Make Your Home the Best Place for You

As non-medical service caregivers, we place compassion as the cornerstone of our service philosophy. We find fulfillment in our work when we help you live your best life at home.

Our Services

White Eagle Home Care Services, Inc. is composed of caregivers who are trained with the tasks of assistance with daily living activities or ADL. Our person-centered care plans ensure that physical, emotional, social and spiritual needs are provided for in these programs:

-  **Companionship**
-  **Homemaking**
-  **Personal Care**

About Us

At White Eagle Home Care Services, Inc. our mission is to maintain the safe and pleasant environment in the client's home. We keep them comfortable as they deal with old age, disability or illness. During these difficult situations, we make life easier with the steady-support and compassionate care that give peace of mind for clients and their families.
